BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

**SECTION 1.** Section 27-31-104, Mississippi Code of 1972, is amended as follows:

**[Through June 30, 2022, this section shall read as follows:]**

27-31-104. (1) County boards of supervisors and municipal authorities are each hereby authorized and empowered to enter into an agreement with an enterprise granting, and pursuant to such

agreement grant a fee-in-lieu of ad valorem taxes, including ad valorem taxes levied for school purposes, for the following:

(a) Projects totaling over \* \* \* Sixty Million Dollars (\$60,000,000.00) by any new enterprises enumerated in Section 27-31-101 \* \* \*;

( \* \* \*b) Projects by a private company (as such term is defined in Section 57-61-5 \* \* \*) having a minimum capital investment of \* \* \* Sixty Million Dollars (\$60,000,000.00); \* \* \*

( \* \* \*c) Projects totaling over One Hundred Million Dollars (\$100,000,000.00) by a qualified business (as such term is defined in Section 57-117-3) meeting minimum criteria established by the Mississippi Development Authority \* \* \*;

(d) Projects totaling over Sixty Million Dollars (\$60,000,000.00) by an existing enterprise that has been doing business in the county or municipality for twenty-four (24) months. For purposes of this paragraph (d), the term "existing enterprise" includes those enterprises enumerated in Section 27-31-101; or

(e) A private company (as such term is defined in Section 57-61-5) having a minimum capital investment of One Hundred Million Dollars (\$100,000,000.00) from any source or combination of sources, provided that a majority of the capital investment is from private sources, when such project is located within a geographic area for which a Presidential Disaster Declaration was issued on or after January 1, 2014.

(2) A county board of supervisors may enter into a fee-in-lieu agreement on behalf of the county and any county school district, and a municipality may enter into such a fee-in-lieu agreement on behalf of the municipality and any municipal school district located in the municipality; however, if the project is located outside the limits of a municipality but within the boundaries of the municipal school district, then the county board of supervisors may enter into such a fee-in-lieu agreement on behalf of the school district granting a fee-in-lieu of ad valorem taxes for school district purposes.

(3) Any grant of a fee-in-lieu of ad valorem taxes shall be evidenced by a written agreement negotiated by the enterprise and the county board of supervisors and/or municipal authority, as the case may be, and given final approval by the Mississippi Development Authority as satisfying the requirements of this section.

(4) The minimum sum allowable as a fee-in-lieu shall not be less than one-third ( $1/3$ ) of the ad valorem levy, including ad valorem taxes for school district purposes, and except as otherwise provided, the sum allowed shall be apportioned between the county or municipality, as appropriate, and the school districts in such amounts as may be determined by the county board of supervisors or municipal governing authority, as the case may be, however, except as otherwise provided in this section, from the sum allowed the apportionment to school districts shall not be

less than the school districts' pro rata share based upon the proportion that the millage imposed for the school districts by the appropriate levying authority bears to the millage imposed by such levying authority for all other county or municipal purposes. Any fee-in-lieu agreement entered into under this section shall become a binding obligation of the parties to the agreement, be effective upon its execution by the parties and approval by the Mississippi Development Authority and, except as otherwise provided in Section 17-25-23 or Section 57-75-33, or any other provision of law, continue in effect for a period not to exceed \* \* \* thirty (30) years commencing on the date that the fee-in-lieu granted thereunder begins in accordance with the agreement; however, no particular parcel of land, real property improvement or item of personal property shall be subject to a fee-in-lieu for a duration of more than ten (10) years. Any such agreement shall be binding, according to its terms, on future boards of supervisors of the county and/or governing authorities of a municipality, as the case may be, for the duration of the agreement.

(5) The fee-in-lieu may be a stated fraction or percentage of the ad valorem taxes otherwise payable or a stated dollar amount. If the fee is a fraction or percentage of the ad valorem tax levy, it shall be annually computed on all ad valorem taxes otherwise payable, including school taxes, as the same may vary from year to year based upon changes in the millage rate or

assessed value and shall not be less than one-third (1/3) of that amount. If the fee is a stated dollar amount, said amount shall be the higher of the sum provided for fixed payment or one-third (1/3) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu.

(6) Notwithstanding Section 27-31-111, the parties to a fee-in-lieu may agree on terms and conditions providing for the reduction, suspension, termination or reinstatement of a fee-in-lieu agreement or any fee-in-lieu period granted thereunder upon the cessation of operations by project for twelve (12) or more consecutive months or due to other conditions set forth in the agreement.

(7) For a project as defined in Section 57-75-5(f)(xxi) and located in a county that is a member of a regional economic development alliance created under Section 57-64-1 et seq., the members of the regional economic development alliance may divide the sum allowed as a fee-in-lieu in a manner as determined by the alliance agreement, and the boards of supervisors of the member counties may then apportion the sum allowed between school district purposes and all other county purposes.

(8) For a project as defined in Section 57-75-5(f)(xxvi), the board of supervisors of the county in which the project is located may negotiate with the school district in which the project is located and apportion to the school district an amount of the fee-in-lieu that is agreed upon in the negotiations

different than the amount provided for in subsection (3) of this section.

(9) For a project as defined in Section 57-75-5(f)(xxviii), the annual amount of the fee-in-lieu apportioned to the county shall not be less than the amount necessary to pay the debt service on bonds issued by the county pursuant to Section 57-75-37(3)(c).

**[From and after July 1, 2022, this section shall read as follows:]**

27-31-104. (1) County boards of supervisors and municipal authorities are each hereby authorized and empowered to enter into an agreement with an enterprise granting, and pursuant to such agreement grant a fee-in-lieu of ad valorem taxes, including ad valorem taxes levied for school purposes, for the following:

(a) Projects totaling over \* \* \* Sixty Million Dollars (\$60,000,000.00) by any new enterprises enumerated in Section 27-31-101 \* \* \*;

(b) Projects by a private company (as such term is defined in Section 57-61-5, Mississippi Code of 1972) having a minimum capital investment of \* \* \* Sixty Million Dollars (\$60,000,000.00);

(c) Projects totaling over Sixty Million Dollars (\$60,000,000.00) by an existing enterprise that has been doing business in the county or municipality for twenty-four (24) months. For purposes of this paragraph (c), the term "existing

enterprise" includes those enterprises enumerated in Section 27-31-101; or

(d) A private company (as such term is defined in Section 57-61-5) having a minimum capital investment of One Hundred Million Dollars (\$100,000,000.00) from any source or combination of sources, provided that a majority of the capital investment is from private sources, when such project is located within a geographic area for which a Presidential Disaster Declaration was issued on or after January 1, 2014.

(2) A county board of supervisors may enter into a fee-in-lieu agreement on behalf of the county and any county school district, and a municipality may enter into such a fee-in-lieu agreement on behalf of the municipality and any municipal school district located in the municipality; however, if the project is located outside the limits of a municipality but within the boundaries of the municipal school district, then the county board of supervisors may enter into such a fee-in-lieu agreement on behalf of the school district granting a fee-in-lieu of ad valorem taxes for school district purposes.

(3) Any grant of a fee-in-lieu of ad valorem taxes shall be evidenced by a written agreement negotiated by the enterprise and the county board of supervisors and/or municipal authority, as the case may be, and given final approval by the Mississippi Development Authority as satisfying the requirements of this section.

(4) The minimum sum allowable as a fee-in-lieu shall not be less than one-third (1/3) of the ad valorem levy, including ad valorem taxes for school district purposes, and except as otherwise provided, the sum allowed shall be apportioned between the county or municipality, as appropriate, and the school districts in such amounts as may be determined by the county board of supervisors or municipal governing authority, as the case may be, however, except as otherwise provided in this section, from the sum allowed the apportionment to school districts shall not be less than the school districts' pro rata share based upon the proportion that the millage imposed for the school districts by the appropriate levying authority bears to the millage imposed by such levying authority for all other county or municipal purposes. Any fee-in-lieu agreement entered into under this section shall become a binding obligation of the parties to the agreement, be effective upon its execution by the parties and approval by the Mississippi Development Authority and, except as otherwise provided in Section 17-25-23 or Section 57-75-33, or any other provision of law, continue in effect for a period not to exceed \* \* \* thirty (30) years commencing on the date that the fee-in-lieu granted thereunder begins in accordance with the agreement; however, no particular parcel of land, real property improvement or item of personal property shall be subject to a fee-in-lieu for a duration of more than ten (10) years. Any such agreement shall be binding, according to its terms, on future

boards of supervisors of the county and/or governing authorities of a municipality, as the case may be, for the duration of the agreement.

(5) The fee-in-lieu may be a stated fraction or percentage of the ad valorem taxes otherwise payable or a stated dollar amount. If the fee is a fraction or percentage of the ad valorem tax levy, it shall be annually computed on all ad valorem taxes otherwise payable, including school taxes, as the same may vary from year to year based upon changes in the millage rate or assessed value and shall not be less than one-third ( $1/3$ ) of that amount. If the fee is a stated dollar amount, said amount shall be the higher of the sum provided for fixed payment or one-third ( $1/3$ ) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu.

(6) Notwithstanding Section 27-31-111, the parties to a fee-in-lieu may agree on terms and conditions providing for the reduction, suspension, termination or reinstatement of a fee-in-lieu agreement or any fee-in-lieu period granted thereunder upon the cessation of operations by project for twelve (12) or more consecutive months or due to other conditions set forth in the agreement.

(7) For a project as defined in Section 57-75-5(f)(xxi) and located in a county that is a member of a regional economic development alliance created under Section 57-64-1 et seq., the members of the regional economic development alliance may divide

the sum allowed as a fee-in-lieu in a manner as determined by the alliance agreement, and the boards of supervisors of the member counties may then apportion the sum allowed between school district purposes and all other county purposes.

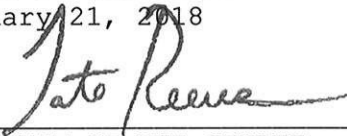

(8) For a project as defined in Section 57-75-5(f)(xxvi), the board of supervisors of the county in which the project is located may negotiate with the school district in which the project is located and apportion to the school district an amount of the fee-in-lieu that is agreed upon in the negotiations different than the amount provided for in subsection (3) of this section.

(9) For a project as defined in Section 57-75-5(f)(xxviii), the annual amount of the fee-in-lieu apportioned to the county shall not be less than the amount necessary to pay the annual debt service on bonds issued by the county pursuant to Section 57-75-37(3)(c).
